

CHIPPEWA PTA

Parents,
Teachers,
Advocates for OUR children.

Please join our PTA there is so much we are planning for the kid!!

What does the Chippewa PTA do?

The PTA encourages parent, grandparent involvement. At Chippewa our PTA provides funds for the agenda books all the children receive, all 3rd graders receive recorders at no cost and crayons at kindergarten orientation. We provide our Book Fairs, Holiday Boutique, Mothers Day Plant sale, Fathers Day Boutique, to name just a few. We provide the flowers for winter/spring concerts and retiring teachers, refreshments at annual events and PTA meetings. Funds raised also go towards National and State dues, liability and bonding insurance among other things.

What can you do?

Join the PTA & become however involved you wish! We have volunteers needed for daytime and evening events. If you can only spare an hour or two stay longer that would be great! The kids love to see you at their school!

We know most of us work & we are VERY accommodating You just do what ever you can whenever you can even if its 1 event all year that's fine too!!
